

FABSOFT

An all-purpose laundry fabric softener for institutional, light industrial and residential use in top or front loading washing machines

BENEFITS

- Imparts a soft, silky finish on all types of fabric
- Long lasting, pleasant fragrance
- Reduces drying time, improves efficiency of ironing and eliminates static cling

DILUTION RATES

- Use 5ml per kilogram of dry fabric

APPLICATIONS & DIRECTIONS

- FABSOFT should be dosed into the final rinse of the laundry programme
- For larger machines it should be dispensed via a suitable dosing pump
- Alternatively it may be poured into the dispensing drawer

NOTE: Do not pour directly onto fabric

AREAS OF USAGE

- Industrial laundries
- Domestic laundry application
- Hospitality industry
